

# Women's Bio-Support Plus Energy

**Product No. 8020**

**Other Ingredients:** Capsule shell (gelatin, glycerin, water and carob), stearic acid (vegetable source) and magnesium stearate (vegetable source).

**Size: 30 Packs**

Women's Bio-Support plus Energy supplies the highest quality, all natural (not modified by distillation processes) fish oil, supplying EPA and DHA omega-3 fatty acids. The most active and beneficial derivatives of marine derived  $\omega$ -3 fatty acids are eicosapentaenoic acid (EPA) and docosahexaenoic acid (DHA). Both the brain and nervous system are higher in DHA, as compared to the rest of the body. As an omega-3 fatty acid it has the ability to impact most physiological functions, including supporting healthy inflammatory responses, and relieving minor pain due to overexertion. As well as Calcium/Magnesium to support bone, nervous, immune, and digestive health. Plus our own proprietary green tea blend to boost energy.

**Dosage:** One (1) packet each day with breakfast or before 10am as a dietary supplement or as otherwise directed by a healthcare professional.
